

Get reacquainted with an old flame.

Model shown:
Regency Greenfire
see-through gas
fireplace (GF1500LST).

The Bannockburn Natural Gas Network is ready. So you can now install appliances like the latest gas fireplaces, gas ducted heating and gas hot water. Call a gas retailer to get connected.

Win a free natural gas fireplace - worth up to \$4000!*

* Note: the appliance must be installed at a premises that has access to the Bannockburn natural gas network.

**Natural Gas.
Cosy Up.**

How to win

Bannockburn's Natural Gas Network is ready. And one lucky resident will win a natural gas fireplace from Pivot Stove and Heating in Geelong, valued at up to \$4000.* Don't delay, promotion ends on October 31, 2018.

How to enter...

- Entry is by email to naturalgasenquiries@ausnetservices.com.au
- In the subject line, include the words **Bannockburn Promo**.
- Start the email with your name, address, postcode and contact number.
- Then, check the list of gas appliances opposite. If you're considering installing any of these, include the numbers of those appliances in your email. *E.g. for gas fireplace and gas ducted heating, just write '1, 2.'*
- If the appliance you're considering is not listed, write it in your email.
- Click 'send' and you're in the running for a gas fireplace. Easy.

Natural Gas. Cosy Up.

Which natural gas appliances are you considering?

1. Gas fireplace - cosy up in style.
2. Gas ducted heating - clean, fast and safe.
3. Alfresco kitchen/BBQ (Natural Gas) - made to entertain.
4. Gas cooktop - precise control.
5. Gas hot water - never, ever run out again.
6. Gas outdoor fireplace - the latest in outdoor living.

To get connected, contact a gas retailer. For all other enquires, email naturalgasenquiries@ausnetservices.com.au or call us on 1300 360 795.

* The appliance must be installed at a premises that has access to the Bannockburn natural gas network.
