State Grid Transaction Date Extended

In its ASX and SGX-ST releases of 12 November, SP AusNet noted that Singapore Power International Pte Ltd (SPI) and State Grid International Development Limited (SGID) had previously announced an agreement for SGID to purchase a 19.9 per cent security holding in SP AusNet from SPI, and that the transaction remained subject to formal clearance by certain regulatory authorities. It was further noted that if such regulatory clearances were not received on or before the sunset date of 16 November 2013, then SPI or SGID may elect to terminate the agreement.

SP AusNet has been informed by SPI that the parties to the transaction have agreed to extend the sunset date to 31 December 2013. If the regulatory clearances are not received by that time, SPI or SGID may elect to terminate the agreement.
