AusNet Services successfully prices HKD875M offer

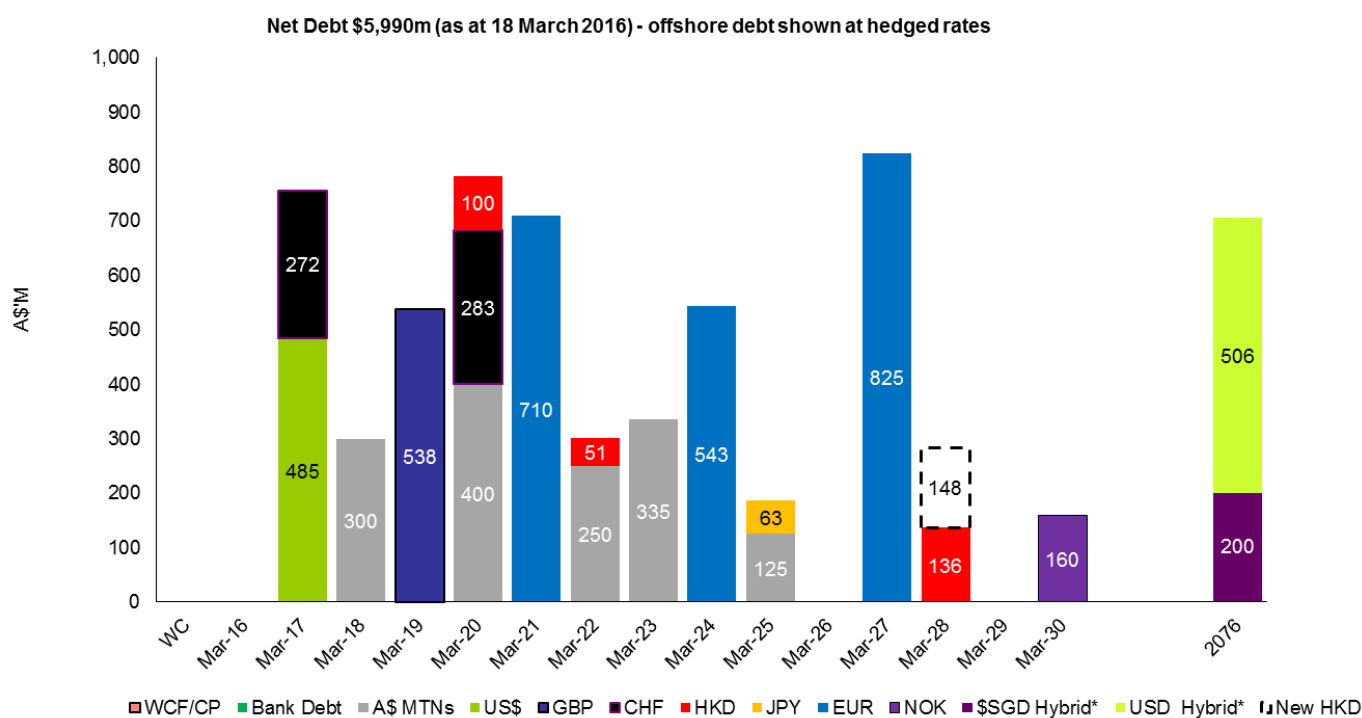

AusNet Services has successfully priced a Hong Kong dollars 875 billion, 12-year (“HKD”) bond issue to raise approximately AUD148 million.

Adam Newman, AusNet Services’ Chief Financial Officer, said: “After our successful issues of Singapore dollar and US dollar hybrids in the past three weeks, we are pleased to see continued strong demand from investors, this time for a HKD 12-year senior bond. The proceeds will be used to refinance existing debt and to fund capital expenditure”.
